MEMORANDUM

TO: THE KANSAS CITY KANSAS BOARD OF EDUCATION
FROM : Dr. Cynthia Lane, Superintendent of Schools
DATE : July 21, 2015
SUBJECT: ACCEPT BID FOR TWO BOOKMOBILES

RECOMMENDATION:

That the Kansas City Board of Education **accept the bid from Matthews Specialty Vehicles for the purchase of two bookmobiles in the amount of \$548,130.00** as submitted by Robert Young, Director of Purchasing, Dr. Kelli E. Mather, Chief Financial Officer, and as recommended by Dr. Cynthia Lane, Superintendent of Schools.

EXPLANATION:

Background

Sealed bids were solicited by the Houston-Galveston Area Council (HGAC), an inter-local governmental purchasing cooperative in Texas. This contact was competitively bid on a national scale, using government standards for open and transparent solicitation of bids and evaluation. Kansas City Kansas Public Schools has been authorized by HGAC to purchase under HGAC cooperative purchasing agreement with Matthews Specialty Vehicles. School districts in the State of Kansas are allowed to use (piggyback) this type of national cooperative bid under K.S.A. Sup. 72-6760(b) (9) (c) (i) and (ii) with Board approval. Since the introduction of the new bookmobile in late 2014, the library has seen an excellent response by students and the public to the mobile library. The addition of two additional bookmobiles will allow more frequent visits to neighborhoods served, and the expansion to neighborhoods not currently served.

Why This Is Important.

The library is requesting 2 mobile libraries to meet the continuing geographic challenges of delivery of materials and services to the residents of Wyandotte County. One mobile library will primarily operate in the middle to the eastern side of the county where there is currently a waiting list of over 30 sites who have requested mobile library services. The second mobile library will operate primarily West of Interstate 635 to reach the populations not served by current library facilities. Several communities in this area have requested mobile library services.

Strategic Framework Priority

The purchase of new bookmobiles will support the institutional mission of the Kansas City, Kansas Public Library and address the priority of being good stewards of resources with financial accountability.

What Action is the Board Being Asked to Consider?

It is requested the bid from Matthews Specialty Vehicles be accepted to that ordering of the new bookmobiles may proceed.

ARTICLE 9: SEVERABILITY

All parties agree that should any provision of this Contract be determined to be invalid or unenforceable, such determination shall not affect any other term of this Contract, which shall continue in full force and effect.
