Principal's Signature: _____

Celebrating Success

Kansas City, Kansas Public Schools

The Student Recognition Program is designed to recognize students for their exemplary academic efforts, community service, citizenship, athletics, volunteer service, etc. If students are nominated for a reason besides academics, they should have demonstrated at least average academic effort, good school attendance and good discipline.

Each month during the school year, an elementary, middle, and high school student will be recognized at a meeting of the Board of Education. Nominations may be made by students, teachers and school-based administrators.

To nominate a student, please complete this form, submit it for consensus to your school principal, and send it to the Communications Office.
