

DIPLOMA+ DIGEST

A MESSAGE FROM DR. ERVIN

The Diploma+ Digest is designed to be the place where you can find out about all of the college and career news in KCKPS! I am excited to share that we are the recipients of the Kauffman Real World Learning Initiative Grant for \$75,000. This grant will allow us to enhance the real world experiences our high school students receive and provide professional development opportunities for our high school staff members. This grant will allow us to further prepare our students for success after KCKPS.
