Each year, our school develops a Family Engagement Plan to provide regular opportunities for us to exchange ideas about how we can support and promote the educational growth of each student. Working together ensures a high level of success for every student. Listed below are ways in which we can partner together in your student's education during the school year.

In addition to our **Family Engagement Plan**, we will also partner together through our **2020-2021 School-Home Compact**. The **School-Home Compact** has been developed with input from parents, staff, and students and outlines the important things each of us can do to provide the best possible education for each of our students. I have signed the compact on behalf of our staff and request that you and your student join us by signing in your agreement to participate this year. We will keep your student's compact on file in our school office for regular review.

The **School-Home Compact** and **Parental Involvement-Family Engagement Plan** will enable all of us to establish a strong partnership that will help each student reach the highest standards of academic success. If at any time you have concerns, please don't hesitate to contact your student's teacher or feel free to give me a call at 913-627-5200.

Thank you,
Katie Egidy, Principal
