KANSAS
PUBLIC SCHOOLS**

First Week of School

- Staff in buildings were involved and welcoming.
- Cabinet visited every campus.
- Central Office staff were deployed to campuses to support the first week of school.

Student Supervision

1. School staff are assisting with supervision before, during and after school hours at every campus.
2. Each high school has a School Resource Officer and two School Safety Associates.
3. Each middle school has a School Resource officer.
4. There are mobile units that support our elementary schools and early childhood centers.

Updates

- Re-Entry Team team met on August 16th.
- 383 Online applications for Greenbush.

Elementary School Applications	165
Middle School Applications	75
High School Applications	143
- Creation of COVID Task Force Group to resolve Day to Day issues and update documents where necessary.
- Desk Shields have been made available at elementary, middle and high schools if a student or staff requests them.

Staffing

- Long-Term substitutes are being contracted to fill open positions when possible.
- There has been a nurse on campus at all of our campuses daily.
- Central Office staff have been assisting as substitutes at certain campuses to alleviate teacher shortage.
- Student counts are being looked at daily to look at master scheduling adjustments where applicable.

Human Resources

- Masks/face coverings are to be worn at all times by all personnel.
- Staff who are exposed or contract COVID away from work will have to use their sick time to cover their absences (determination will be made through contact tracing).
- Staff who are exposed to COVID on the job will not be charged time from their sick leave(determination will be made through contact tracing).
- Staff will have to enter their absences in Frontline.

COVID-19 Dashboard

- We have created a COVID dashboard to have live updates in regard to the number of student and staff COVID cases and quarantines.
- We also have a web page where we have cases and quarantines listed by campus.
- COVID Flowcharts have been created to provide clarity for students or staff who are exposed or showing symptoms.
- Supporting documents are also available on this page to provide direction for parents, staff and supervisors.
