ATTENDANCE TIPS FOR PARENTS

- Talk about the importance of attending school with your child
- Help your child maintain healthy daily routines
- Track your child’s academic progress and seek help from teachers or tutors, if needed
- Communicate regularly with your child’s school
- Know the attendance policy at your child’s school
- Frequently check on your child’s attendance record

School success starts with showing up to class everyday.

There is strong evidence that supports this statement according to KCKPS data records. This begins with the graduation rate for 9th grade students.

The graduation rate for 9th grade students is at 86% for students with an attendance rate of 95% or higher.

Students with less than a 95% attendance rate graduated only 48.6% of the time.
